SUBJECT: Commitments and Possible Commitments Affected
by the US Satellite Reconnaissance Program

I am forwarding to you the draft study prepared in the Department pursuant to the fifth recommendation accepted at our meeting of June 1, 1962. I hope the other four studies will also be circulated to serve as background for our discussion on Tuesday, June 12, 1962, at 10:30 a.m. In the meantime, if there are any comments on this study, please report them to Mr. Garthoff (182 x 2579).

The review of Free World attitudes toward our reconnaissance satellite program is also attached.
